

**INDYSMASH TO BE HELD ON MARCH 16<sup>TH</sup>-17<sup>TH</sup>, 2010**  
**RELEASE OF ALL LIABILITY**

I agree that IndySmash, Best Western, Sponsors and all IndySmash staff can not be held liable for any damage or loss to my equipment or injuries to myself either coming to, during or while leaving the event location. I understand that my equipment is my responsibility; I alone am responsible for its condition.

**IndySmash is not for any reason responsible** or do we condone the copying or illegal distribution of any copyrighted software, music, movies, etc. IndySmash is not responsible for the contents on any ones computer except official IndySmash computers. Any contents on your computer are your sole responsibility.

IndySmash has a firm policy against the viewing or distribution of pornographic material at our event. I also understand that making pornographic material viewable and or accessible to minors is illegal, and punishable by law. I also understand that sharing out any pornographic material is punishable by immediate reprimand and/or removal from our event.

Every person is responsible for his or her own actions. We are all here to have fun. So if you are behaving in such a manor that it is disturbing to other players or causing damage to others equipment, you will be asked to leave. So respect everyone and have fun.

Cheating will NOT be tolerated. Cheating is punishable by immediate reprimand and/or removal from our event. I hereby give the IndySmash staff permission to check my computer for cheats in the event of an accusation of cheating. **I also understand that in the event of cheating, IndySmash will make it known with all major local LAN parties which will limit your chances of going to any other LAN slim to none.**

I understand that any violation of the rules or the above statements may and will result in removal from this event.
